SAFE ENERGY SAVE ENERGY

The West of England Landlord Expo has become increasingly popular as landlords see how much new and useful information they can pick up on the day.

The twin themes this year are energy saving and safety, but there's an awful lot more besides.

18 Free seminars to choose from, including:

- The new gas registration - Gas Safe.
- Electrical safety - NICEIC.
- Energy efficiency - what more can you do? - Energise.
- Cannabis factories in rented properties - Avon and Somerset Constabulary.
- Fire Safety Order -2009 requirements.
- Anti-social behaviour.
- The future for the housing market - practical advice.
- How landlords can pay less tax.

More than 55 exhibitors:

- 4 Local authorities.
- Letting agents.
- Insurance companies.
- Fire & police services.
- Energy assessors.
- Trades people & suppliers.
